DATED : 16/12/2005.

P.C.

1. Heard.

2. This is a review petition seeking review of my order dated 11.8.2005. It is contended that the observations made in my order dated 11.8.2005 will come in the way of the review petitioner in a different suit filed by the society. This cannot be a ground for review. In my order dated 11.8.2005, I have only observed that the lease deed prohibited for making of a pakka construction. There is no observation about the nature of the construction. It is

fairly conceded that such prohibitory condition exist in the lease deed. In view of the above, there is no case made out for review. Hence, petition is rejected.
